## Overview

The Supply Point Administration Agreement (SPAA) sets out the inter-operational arrangements between gas suppliers and transporters in the UK retail market. It is a multi-party agreement to which all domestic gas suppliers and all gas transporters are required by their Licences to accede.

## HAPPY NEW YEAR FROM SPAA!

The SPAA Team would like to wish each and every one of you a Happy New Year!

Thank you for your contributions and efforts throughout 2019.

We are looking forward to another great year in 2020!

## CODE ADMINISTRATION CODE OF PRACTICE (CACOP)

The Code Administration Code of Practice was established to provide a consistent approach and level of service across associated code modifications.

In addition to the SPAA E-Bulletin, a CACoP Newsletter is also published on a periodic basis. If you would like to be added to the CACoP Newsletter distribution list, please contact [SPAA@electralink.co.uk](mailto:SPAA@electralink.co.uk).

Another of the CACoP products is the Central Modifications Register, which contains information on Change Proposals across all of the industry codes, both gas and electricity. The Central Modification Register can be found on the SPAA Website, [via this link](#), or the Master Registration Agreement (MRA) Website [via this link](#).
