

Metering Agent Audit Application Form

Please return the completed form, signed and dated to: metering@electralink.co.uk

Background

In accordance with Schedule 32 and 40, the Supply Point Administration Agreement (SPAA) are responsible for the administration and governance of the Metering Code of Practice.

The SPAA EC administers the 'Approved Meter Installer' (AMI) Scheme and the 'Meter Asset Managers' (MAM) Scheme. This Scheme approves and audits a prospective party as either an AMI or MAM. The AMI/MAM Scheme requirements are fully detailed within Schedule 40 and Schedule 32 of the SPAA respectively.
